

4200 series

- High weight capacity
- Detachable backrest and ergonomic handles
- Oversized padded seat for extra comfort

Our series of heavy duty rollators are designed with the active user in mind. The 4200SWX supports a 500lb / 226.8kg weight capacity, yet still fits through most doorways and into cars. Its oversized padded seat ensures extra comfort and its ergonomic handles ensure the most vigorous user is ready for those day to day adventures.
