INVACARE® TOILET SEAT RAISERS BY AQUATEC®

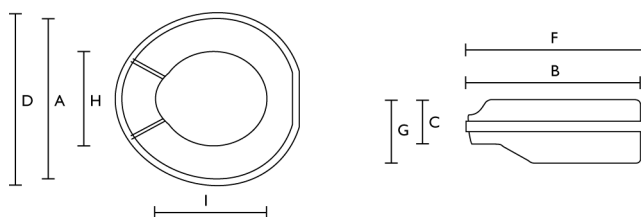

The latest addition to Aquatec's comprehensive line of bath safety and hygiene products include the NEW **H304 Finesse** and **H430A** toilet seat raisers. The unique design, improved functions and outstanding quality make these models perfect complements for at home and care facility use. The safety you need and the quality you deserve, from the brand you trust.

H304 Finesse

The H304 Finesse is constructed of sealed waterproof high density foam which provides additional comfort and positioning over traditional raised toilet seat options. The H304's attractive blue finish accommodates users with visual impairment while ensuring simple, secure, tool free placement over the toilet bowl. The 3.5" of additional seat height and smooth surfaces provide safe, simple hygiene and enhanced outcomes in patient care.
