Dolomite Jazz Rollator

Basket, anatomical grips, curb climbers and backrest standard.

Model no. JAZZSTD JAZZ Standard
Model no. JAZZLOW JAZZ Low
Model no. JAZZLOWHH JAZZ Low with High Handles
Colour: Anthracite Grey

The Dolomite Jazz is the epitome of function and style. Jazz provides superior ergonomics and control, making it the perfect companion to an active lifestyle. The rigid and durable frame can be folded effortlessly through the unique gate hinge and locked in place for storage or travel. Carefully crafted to provide the best in safety and mobility, Jazz boasts several patents and was awarded the red dot award: product design 2013 by an international jury of experts.

Features

- Simple to operate, one-touch height adjustment - Patented release mechanism is contoured and provides effortless height adjustments requiring no tools
- Memory locking handle adjustment - Intelligent handle height memory function is a Dolomite-patented design ensuring the user's handle height is always returned to the proper setting
- Hybrid non-linear braking - Delivers an even braking force remaining the same at both the beginning and at the end of the braking cycle. Hybrid system provides a clean look and simple adjustments
- Comfortable, waterproof seat - Provides additional comfort while using Jazz in the seated position. Seat pads are easily removed for cleaning
- Convenient folding basket - Provides space for daily necessities and holds up to 15 lbs. Built-in carry handles allow the basket to be removed and used as a tote

The Dolomite Legacy is more than just a name, it is a Legacy. For over 10 years the Legacy has brought daily mobility back to hundreds of thousands throughout 80 countries worldwide. Founded on Dolomite's patented flip-up seat technology, Legacy provides proven safety and support, allowing you to regain your independence and enjoy all of life's daily activities with confidence.

Features

- Flip-up seat ensures proper support inside walking frame and reach access
- Unique forward-facing handles promote proper walking posture
- Patented brake system with adjustable tension for precise control
- Large 8" SLII wheels with superior bearings for increased maneuverability
- Optional tall handles increase handle height up to 39"

Dolomite Soprano Rollator

Basket and back support standard.

Model no. 12030-44-86 SOPRANO Standard

Colour: Champagne

The Dolomite Soprano is a heavy-duty walker with large 10" wheels, providing excellent performance on rough, uneven ground, making it ideal for active outdoor users. With a cable-free braking system, a wide, sturdy frame and reinforced seat, the Dolomite Soprano allows for an increased weight capacity of 355 lbs.

Features

- Cable-free braking system
- Frame – Sturdy heavy-duty frame provides excellent stability
- Adjustable handles – Infinite adjustments to the required height and adjustable inward angle up to a maximum of 15°
- Hand grips – Gently wedge-shaped hand grips provide a comfortable hand position for all hand sizes
- Flip-up seat – Extra large seat flips up for greater reach access
- Folding – Stands when folded for easy storage and transport
- 10" wheels – Large solid wheels provide excellent traction and a comfortable ride

Model no. 12220-02-35-87

ALPHA Advanced with platform attachment

Colour: Navy Blue

The Dolomite Alpha is a special rollator designed specifically for users who deal with the added complexity of walking with arthritic or stroke conditions. The unique, adjustable forearm supports or platform option allow for maximum stability. Alpha also offers two braking systems to accommodate the specific needs of the user.

Features

- Frame construction maximizes stability and encourages proper posture and balance
- Forearm supports adjustments in angle, width and depth
- Individually adaptable hand grip can be adjusted in height and angle
- Unique advanced brake grip is extremely easy to use and accommodates limited hand dexterity
- Flip-up seat for greater reach access and gait training
- Dolomite Advanced Brake System (DABS II)

Dolomite Rollator Warranty

All Dolomite Rollator frames have a lifetime warranty. Brake Handle and Housings are covered for a period of five years and all other components for a period of one year. Warranty does not cover normal wear.

Dolomite Rollator Accessories

An extensive selection of unique, functional accessories to meet many different needs.

Deluxe Basket

These stylish baskets with built-in carrying handles and inside zippered pocket are ideal for storing your belongings. 10 kg./22 lb. capacity.

Model no. 1560336, Grey
Model no. 1564104, Red
(Fits Jazz models after SN 13CHX000681)

Padded Backrest

Fits over Jazz 1522062 standard backrest to provide additional comfort while seated.

Model no. 1551654 (Jazz After SN13CHX000681)

Padded Back Support

Made of soft velvet for more comfort when seated.

Model no. 12514 (Legacy, Soprano, Maxi+, Symphony)

Padded Seat Cushion

Foam cushion with washable cover is easy to attach to the rollator seat.

Model no. 12518 (Legacy, Soprano, Maxi+, Alpha, Symphony)

Cane Holder

Can be easily mounted on the front or rear of any of the rollators for use with any single point cane.

Model no. 12606 (Legacy, Soprano, Maxi+, Symphony, Alpha)

Model no. 1512912 (Jazz After SN13CHX000681)

Oxygen Tank Holder

To meet respiratory equipment needs, this durable holder is suitable for "D" sized oxygen tanks.

(Not available on Super Low models)

Model no. 12682-25 (Symphony, Legacy, Maxi+, Alpha)

Model no. 12683 (Soprano)

Zippered Bag

The water-resistant, zippered bag attaches easily to the frame beneath the seat providing extra security for personal belongings.

Model no. 12523 (Legacy, Soprano, Maxi+, Symphony, Alpha)

Food and Beverage Tray

Ideal for in-home use, these affordable and easy-to-clean trays attach simply to the rollator seat. 15.75" x 12" (70311).

15.5" x 10.25" (1546264).

Model no. 70311 (Symphony, Legacy, Maxi+, Alpha [std.], Soprano)

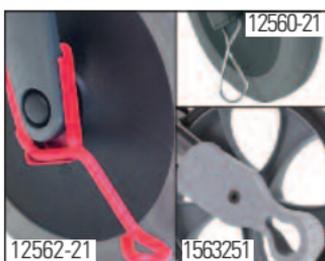

Model no. 1546264 (Jazz After SN13CHX000681)

Alpha Platform

Soft, comfortable platform attachment is ideal for increased support and gait training.

Model no. 13018

Curb Climber

The curb climber makes it easier to negotiate over obstacles by lifting the front of the rollator over short heights. Can be mounted on right or left side.

Model no. 12562-21 (Symphony, Legacy)

Model no. 12560-21 (Maxi+, Alpha)

Model no. 1563251 (Jazz after SN 13CHX000681)

Slow Down Brake

Unique design allows user to control speed for increased safety and gait training without wearing on the wheel. Ideal for Parkinson's or where cognition is an issue.
 Model no. 13041-21 (Symphony, Maxi+, Alpha, Jazz (before SN13CHX000680) & Legacy Rollators)
 Model no. 12543KIT (Soprano)

Hemiplegic (HP) Handle

The foam handle can be angled to suit individual needs to promote a safe grip on the weak side. Brake handle can be rotated for comfort. Can be mounted on right or left.
 Model no. 12611-L-60, 12611-R-60 (Symphony)

Anatomical Hand Grips

The larger handle surface reduces fatigue through improved weight distribution and prevents pain and numbness in the hands through increased circulation. Ideal for arthritic conditions.
 Model no. 12509 (Symphony, Legacy, Maxi+)
 Model no. 1563282 (Jazz after SN 13CHX000681)

Tall Handles

These chrome-plated handles with durable foam grips improve rollator fit and comfort giving extra handle height for those who need it.
 Model no. 12621 (Legacy)

One-Hand Brake

If hand function is impaired on one side, the one hand brake allows for braking or locking of both brakes from the user's strong side. Ideal for arthritic or stroke clients.
 Model no. 12505-L, 12505-R (Legacy, Maxi+)
 Model no. 12514-L, 12514-R (Alpha Basic)
 Model no. 12515 (Alpha Advanced)
 Model no. 12507-R or 12507-L (Symphony)
