

QUICKIE QX

QUICKIE®
Live without limits.

Innovation,
durability, and
adjustability in an
ultra-lightweight
value package.

SIMPLIFIED BY QUICKIE

The new Quickie QX is the latest addition to the Quickie lightweight folding family. The quick and intuitive adjustments make it the perfect wheelchair for comfort and mobility needs.

The Quickie QX is a durable, low maintenance wheelchair perfect for simplicity, comfort and durability.

LIGHTWEIGHT

Lighter weight, the Quickie QX provides the riders with more! With a weight capacity of 265 lbs. it folds easily and can be moved in and out of the car effortlessly.

SAFETY FIRST

Transit Approved

Available in standard or hemi frame, for a lower seat-to-floor height, the new Quickie QX is WC19 compliant. Safer to use for errands or any other places the rider needs to go!

COMFORT & STYLE

Low seat-to-floor height

Available in standard and 12.5" seat-to-floor height (STFH) hemi frame

Personalize your QX and stand out!

24 colours are available! A colour for every taste!

Your Wheels, your Style!

Choice of Mag or Spoke wheels.

One Arm Drive available

Easy and quick to add or remove.

Unilateral Wheel Lock

Available on left or right mount.

Flip Back Height Adjustable Armrest

Make good use of your space.

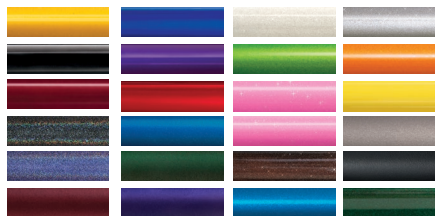

Side Frame Matches the Seat Rail

In every size, the measurement of the frame and rail match. This provides better clearance for foot propellers.

Extra Tall Back Canes

Even if a low seat-to-floor height is needed for a foot propeller, the Extra Tall Back Canes will allow the caregiver or family comfortable positioning behind the chair.

Available in 24 Colours

Print processes cannot accurately represent paint finishes. Actual colours may vary.

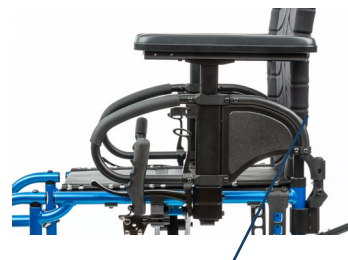

Colours and patterns may vary based on type of chair or frame material.

Not all colours available on all products. Please see product order form for specific colour options.

Spoke Wheels

Mag Wheels

Adjustable Armrests

NEW BACK UPHOLSTERY

New EXO Upholstery

Modern comfortable design, the new back upholstery is offered in standard version or tension adjustable.
