3-POSITION  
FULL RECLINE

The 3-position full recline is available on most Pride® Power Lift Recliner models and puts you in a position ideal for napping or relaxing.

INFINITE  
POSITION

The true infinite-position recline is perfect for taking a nap and enables the backrest and footrest to move independently from one another so that a variety of positions can be reached. The LC-107 can achieve infinite (two, three, infinite, Trendelenburg) positions.

TRENDELENBURG  
POSITION

The Trendelenburg position, available on the LC-107, elevates one's feet higher than his or her head for increased comfort and relaxation.
