SUPER TILT PLUS

TILT WHEELCHAIR

One of Power Plus Mobility's best selling wheelchairs. The **STP** is a light weight tilt chair designed for adjustment and maneuverability. The **STP** tilt system provides a change of orientation and thus redistributes pressure from one area to another area.

UP TO 55° DYNAMIC TILT

Power Tilt Option

Center Pivot Swing In And Swing Out Front Rigging

Dual Cylinders Allows For Consistent Tilt For All Weight Capacities

Narrow Configuration  
(Inside Wheel Mount)

Rear Axle Adjustability

Rear Depth Adjustable Frame

## ABOUT STP

One of Power Plus Mobility's best selling wheelchairs. The **STP** is designed for adjustment and maneuverability. With comfort being another major point in this design, our **STP** will be your choice in tilt wheelchairs. We promise this product will exceed your expectations. By meeting all requirements and necessities for a wheelchair like this and even exceeding them. The **STP** offers a wide range of dynamics that allow this wheelchair to accommodate many different situations, assuring a right fit for all, even in the most difficult positions that other wheelchairs cannot serve.

## CUSTOMIZE ANYTHING

Power Plus Mobility advanced machinery specializes in manufacturing custom parts to customers specifications from either a drawing or a sample. The parts we manufacture could be simple or more complex and can be manufactured in small or large quantities. Contact your local sales representative with your specifications.
